## ABOUT B+T

### What the...

Bib and Tuck is an invitation only online marketplace for fashionable girls to exchange clothes

### Invitation only?

Yup. Every member has three invitations. Our goal is to create a fashion community with few degrees of separation amongst our members.

### Who is this for?

The Urbanite and stylish.

### So why swap clothes?

Because we think it's stupid to keep spending money on clothes when so much good stuff is being unused.

### Really?

Yes, and according to Goodwill, 23.8 billion pounds of clothing end up in U.S. landfills each year.

### Oh no!

Don't pretend you care and not do something about it. Stop buying new - used things have more character!

### What does it mean to 'Bib' and 'Tuck'?

To 'bib' an item means to put it up for sale. To 'tuck' means to take somebody else's.

### You're making this up, aren't you?

Sort of. It comes from the phrase 'bib and tucker', meaning one's best clothes. The term originated because bibs and tuckers were items of clothing that women wore from the 17th to late 19th centuries.

### So how does it work?

**BIB** List items you're ready to part with, fill out the description, and select the details of your sale. Show off the art of your style by uploading photos of yourself wearing the garment.

**GET BUCK'D** Receive virtual currency units we call 'bucks' when another member purchases your item.

**SHIP** When someone wins your item, you will receive an email with a prepaid mailing label. Put the item in a USPS box, stick on the label, and mail it.

**TUCK** Use your bucks to take other pieces

### How do I get started?

After registering and creating your profile, you automatically get 50 bucks. You also get 20 bucks when you list your first item and bonus bucks when your invitees sign up and list their first item. Use your bucks and start bidding and tucking. Read more on how to get bucks [here](#).

### How much does it cost?

Every time you win an item, you pay \$3 + shipping. That's it. We use PayPal for every transaction.

### What if I don't like an item I receive?

All items at [bibandtuck.com](#) are final sale so we encourage you to ask the seller any questions you may have before purchasing the item. That said, if the item doesn't work for you, you can relist it, with the piece now in your closet. Just go to 'My Activity' under My B+T and click on the 'Relist' link next to the item you want to return.

### But what if the item I receive was not as described?

While we don't expect this to happen often, if the seller misrepresents an item, you can dispute the item and get a full buck refund. Just go to 'My Activity' under My B+T and click on the 'Request a Buck Refund' link next to the item. If the seller does not agree to refund you, a member of the B+T Team will contact you shortly. Oh, and don't forget to rate the seller.

### I have paid for shipping but have not received my item in the mail?

If after attempting to make contact the seller doesn't respond, email us at [help@bibandtuck.com](mailto:help@bibandtuck.com) and we will help you sort things out.

### What sorts of things can i list?

Clothes, shoes, and accessories. Maybe it's an old favorite, maybe it doesn't fit you anymore, or maybe you're just ready to let it go. If you want to sell a whole outfit, that's fine too. There's just one rule: send only what you'd be willing to receive.

### I sold my item and still haven't received my bucks

You will only get your bucks once you ship your item.

### How do I photograph my stuff?

Just be creative and true to your style. We prefer head to toe looks, if possible. Take a look at our insider photography tips [here](#).

### I have no time/hate taking photos.

Don't worry. Email us at [listmystuff@bibandtuck.com](mailto:listmystuff@bibandtuck.com), and we can arrange to list your stuff for a small fee. Fill out the details, ship us your items, and let us do the photographing. When a member wins your item, we ship it.

### Who made this?

Just two NYC girls who spend way too much on clothes.

My question wasn't answered: [Email Us](#)
